

# Princeton Education Foundation invites you to Support the Fitness Center Campaign for PHS

**GO TIGERS!**

The new Fitness Center at PHS will be used to teach life-long fitness knowledge to the whole school population, as well as by sports teams. A comprehensively equipped training facility, it will be used by sports teams and individuals for strengthening, improving overall performance and injury prevention through conditioning at the competitive and recreational level. The construction of this site, in the Old Gym at PHS, will provide a wonderful fitness facility for all students, faculty and sports programs. Although basic equipment exists, additional equipment and other enhancements are needed to provide a truly well – equipped facility that can be used for a variety of purposes.

Health and fitness continues to be an increasing priority and challenge for all of our children. Please help ensure that the new Fitness Center has the equipment it needs to support athletics and a healthy lifestyle.

**YES, I'd like to help equip the new Fitness Center by contributing to the PEF Fitness Center Campaign:**
